Re : Invitation to participate in Eurospoor2021

Dear Eurospoor participants and fans,

Eurospoor2021, back after 2 years of absence! Unimaginable but true!

The COVID-19 crisis has gripped us all. We sincerely hope that, apart from the lockdown and other restrictions on our freedom, you have not suffered any health damage. For those of you who did experience it at home or in a club, and perhaps lost a colleague, family member or (club) friend, we extend our most sincere condolences to you. We are living through a pandemic that will not soon be forgotten. Fortunately, there are now several vaccines available that can protect mankind from worse. Vaccines that will gradually allow us to resume our daily lives and say goodbye to the distant 1.5 metre society.

Millions of people are currently being vaccinated worldwide, and in the Netherlands, it is expected that all those who are willing to receive the vaccine will be vaccinated by July. We don't know exactly what the situation is in your country, but if this is sustained or accelerated, it will offer perspectives for Eurospoor2021 at the Jaarbeurs Trade Fair in Utrecht (NL).

It may be hard to imagine from the current situation, but there is a big chance that after the summer holidays, life will return to a reasonably normal level and many people will be eager to visit a model railway event. That is why we are continuing our preparations for Eurospoor2021 at full steam.

We are working towards a complete and successful 27th Eurospoor event so that we and 15,000 hobbyists with us can again enjoy our beautiful hobby to the fullest. We look forward to an event with many new model railways from home and abroad, railway collections, demonstrations in the field of model railway construction, stands with representatives and retailers, a market for new and used model railway items, etc. Also the big brands Märklin, Fleischmann / Roco and Piko intend to participate.

Due to the long-term radio silence and the additional interest in model trains in connection with the lock-down, we expect a larger audience than usual. Eurospoor is and remains literally and figuratively the central point in the Netherlands in the field of model railways and is a "must" for every hobbyist in this field. We cordially invite you to participate.

Jaarbeurs Utrecht, best location in the Netherlands

Eurospoor2021 will be held at the **very best site (A1)** to be found in the Netherlands: the Utrecht trade fair centre the Jaarbeurs, internationally oriented and extremely central, with extensive parking facilities and the railway station at walking distance.

On Sunday 31st of October, children up to 11 years may visit the fair **free of charge** under supervision. For many years, we've conducted this type of campaigns with great success!

Therefore, we've attracted significantly EXTRA potential of newly interested people for model railroads.

If you are not interested in any commercial booth or space, you can register for a **Eurospoor Market stand (EM)** in the second hall. You can download the form here <http://www.eurospoor.nl/en/forms>

Should you have any questions, please do not hesitate to contact us, we will be glad to answer them. We feel sure that participation would be a step you will not regret. In anticipation of your reaction, we remain,

Yours Faithfully,

EUROSPOOR
